**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Everything you've done to this point (The new FCC that is) as been to line your pockets with the money of giant telecoms and destroy any hope that the public can enjoy better technology and competition in the industry.

It's unlikely you'll ever change your ways as you've been appointed by a man who has the same motivations that you do and so you all sit behind closed doors figuring out ways to make yourself and your friends better off while leaving the rest of the country to burn.

Here is my voice - we all hate you.

Cheers
